Appointment of the Board of Directors

Reference is made to article 18.4 of the Articles of Association regarding the procedures for submitting, depositing and publishing the lists prepared by the Shareholders.

In particular, the following points should be noted:

- Directors shall be appointed by the Meeting on the basis of lists submitted by Shareholders and by the outgoing Board of Directors, in which the candidates must be listed in sequential order;
- Directors who for any reason are not appointed by the list voting system will be elected by the Ordinary General Meeting, deciding by statutory majority;
- in addition to the Directors as above appointed a Director without voting rights could be appointed by the Italian Economy and Finance Minister, jointly with the Minister for Manufacturing (now Minister for Economic Development) pursuant to Article 5.1 *ter*, subparagraph d) of the By Laws;

- the lists must be deposited by the Shareholders presenting them at the Company registered office by the twenty-fifth day preceding the date of the meeting at first call (and therefore by 4 April 2011);
- each Shareholder may submit or take part in the submission of only one list and each candidate may appear on only one list, failing which he/she may be disqualified;
- the right to submit lists is recognized only to those Shareholders who, either alone or together with other Shareholders, represent at least 1% of shares with voting rights at Ordinary Shareholders' Meeting;
- in order to prove ownership of the number of shares necessary for the submission of lists, Shareholders must file at the Company registered office at least twenty-one days preceding the date of the Shareholders' Meeting at first call (and therefore by 8 April 2011), the special certificate proving that they are in possession of the number of shares represented. The ownership of the minimum shareholding for submitting lists is determined having regard to the shares registered to the Shareholders' on the day on which the lists are deposited;
- at least two directors must satisfy the independence criteria provided for Statutory Auditors by the law (art. 148, paragraph 3 of Legislative Decree No.58/1998); the lists shall therefore expressly identify the candidates who satisfy the aforementioned independence criteria;
- the declarations in which individual candidates accept their own candidature and attest, under their own responsibility, that there are no reasons for ineligibility or incompatibility, and that the requirements set forth by the applicable legislation for the office in question have been met, (including satisfying the independence criteria, as required by the Articles of Association) and particularly of the good repute requirements provided for the Directors of listed companies, pursuant to art. 147 -*quinquies* of Legislative Decree No. 58/1998, by the Decree of the Minister of Justice No. 162 of 30 March 2000, shall be deposited at the Company registered office by the same deadline set for submitting the lists, together with such lists;

In view of the fact that the number of members of the Board of Directors may be determined by the Shareholders' Meeting up to a maximum of twelve and, moreover, of the applicability, in the event of Directors leaving office early, of a special co-opting system as provided for in article 18.5 of the Articles of Association (which provides, on a priority basis, for the replacement by unelected candidates taken from the same list to which outgoing Directors belong), Shareholders are advised to include a sufficient number of candidates in lists.

With reference to the mechanism for appointing Directors elected through list voting, reference is made to article 18.4 of the Articles of Association which also states as follows:

- each person entitled to vote may only vote for one list at the Shareholders' Meeting;
- two thirds of the Directors to be elected (rounded down to the nearest whole number in the event of a non-whole number) shall be taken from the list that receives the most votes expressed by Shareholder, in the progressive order in which they appear on the list;

- the remaining Directors will be taken from the other lists, as described in the same article 18.4 letter b);
- if, following the application of the aforesaid procedure, the minimum number of two independent Directors required by the Articles of Association has not been appointed, the ratio of votes to be allocated to each candidate will be calculated using the method described in art. 18.4 letter b); candidates not yet elected from the lists pursuant to letters a) and b) of the same article 18.4 who satisfy the independence criteria and have obtained the highest ratios, in the number necessary to ensure compliance with the Articles of Association, will be elected, and shall replace the non-independent Directors allocated the lowest ratios. If there are insufficient candidates to fulfil the required minimum of two independent Directors, the Shareholders' Meeting shall adopt a resolution based on the statutory majority to replace those candidates who do not satisfy the independence criteria and who have obtained the lowest ratio.

In addition, it should be remembered that, in accordance with the provisions of art. 144-*octies* of Consob Regulation No. 11971/1999, together with each list, curriculum vitae shall be deposited for each candidate containing of their personal and professional credentials, including their suitability to serve as "independent" pursuant to art. 148 paragraph 3 of Legislative Decree No. 58/1998. as well as - in accordance with the provisions of the Self-Regulatory Code for Listed Companies - pursuant to art. 3 of the same Code. Shareholders wishing to submit a list of candidates may contact the Legal and Corporate Affairs Department/ Corporate Affairs Function (Tel. +3906324731) in advance to discuss any necessary practical details.
