

Leonardo: production ahead, but without compromise on health and safety priorities

Rome, 23 March 2020 - Leonardo is aware of the difficult moment that the Country is experiencing. We reaffirm our utmost commitment to guarantee all our workers the highest safety standard by fully respecting the prescriptions established by the government and also the further measures agreed with the trade unions through the protocol recently signed. Our sector is highly strategic and our aim is to ensure the production continuity but without any compromise on safety and health.
