

Leonardo announces postponement of the DRS initial public offering

Rome, 24 March 2021 - Leonardo S.p.a. ("Leonardo") announced that its wholly owned subsidiary, Leonardo US Holding, Inc. ("Leonardo US Holding"), postponed the initial public offering ("IPO") of shares of Leonardo DRS, Inc. ("DRS"), an indirect wholly owned subsidiary of Leonardo.

Notwithstanding investor interest within the price range during the course of the roadshow, adverse market conditions did not allow an adequate valuation of DRS.

DRS remains a core part of Leonardo's business portfolio and the IPO will potentially be revisited when market conditions are more favorable and a successful IPO at an appropriate valuation for this strategic business can be achieved.

Leonardo remains excited about the prospects of DRS and will continue to support its development within the Leonardo Group.
