LEONARDO ANNOUNCES NEW COMPANY ORGANIZATIONAL STRUCTURE

Rome, 15/06/2023 – Leonardo announces that today a new company organizational chart was established with the aim of rationalizing, simplifying and optimizing corporate governance.

The management team will be able to count on a total of 8 managers reporting directly to the CEO and General Manager and a general co-directorate which will coordinate divisions and business units.

Specifically, the new structure aims to:

- strengthen the current core business, thanks to the establishment of the general co-directorate business & operations;
- further accelerate Leonardo's growth in the cyber business and in the space sector, with a dedicated organizational presidium;
- create a new organizational unit that combines strategy and technologies;
- strengthen the integration of sustainability into corporate strategy and stakeholder engagement on ESG issues, with a top-level sustainability unit.

In addition, female presence among the top management grows in the new structure.

"The new simplified structure will ensure a leaner management model and, at the same time, strengthens the management team" says Leonardo CEO and General Manager Roberto Cingolani, "the aim is to ensure a smoother conduct of business and successfully meet the challenges posed by an increasingly dynamic and internationally competitive market."
