DETAILED INFORMATION

1. General

Leonardo Helicopters intends to issue a call of tender regarding: ISFD as per technical requirements defined in the Attachment 3.

Parties (if applicable): N/A

The contract covers: Design, development, qualification and series production of ISFD for Light/Medium Helicopters

The starting price is N/A / n assumed starting price will be given.

2. Entities admitted to tender

The following are admitted to participate in the tender procedure for goods and services:

- a) sole proprietor enterprises (including craft businesses), trading companies, cooperatives;
- b) Consortia of production and work cooperative companies as well as consortia of craft businesses;
- c) Permanent consortia, including sole proprietor enterprises (including craft businesses), trading companies, production or workers cooperative companies;
- d) Competing consortia whose members include the entities referred to in sub-paragraphs a), b) and c) of this paragraph, even in the form of a limited liability consortium.

The participation in this tender by more than one temporary grouping of companies, consortium or EEIG, or the submission of bids as both an individual entity and as a member of a grouping, consortium or EEIG, is forbidden.

The bidding suppliers for whom more than 70% of total annual turnover is generated by orders from one or more companies belonging to the Leonardo Group, are not allowed to bid, except in case of express authorization from Leonardo in consideration of special technical requirements. For consortia, this percentage shall be calculated according to the annual turnover of the consortium itself.

Each consortium in points b), c) and d) above shall indicate, in its expression of interest, the individual consortium members in the name of which the bid is submitted, and for each of them, the type of works / services / supplies that will be performed. The composition of the consortium indicated in the disclosure of interest is unchangeable without the prior written consent of Leonardo.

Pursuant to the above, it is forbidden for an individual consortium member to submit a bid in any other form to this tender procedure. In the event that this rule is broken, both the consortium and the individual consortium member will be excluded from the tender.

The concurrent participation in this tender procedure by a parent company and its subsidiaries is also forbidden. In the event that this rule is broken, both the parent company and its subsidiaries will be excluded from the tender.

All bidders, whom Leonardo does deem not to have appropriate professional reliability will in all cases be **excluded** from the tender without explanation. Bidders will be deemed not have appropriate professional reliability who in the last three years incurred, by way of example but not limited to, in the following:

- Termination for breach of contract with Leonardo SpA or other companies of the Leonardo Group;
- Unapproved (unaccepted) services and supplies of goods covered by contracts concluded with Leonardo SpA or other companies of the Leonardo Group;
- Acting in contrast to any provisions of the Code of Ethics of Leonardo SpA and Leonardo Group, during the performance of previous contracts;
- Failure to take delivery, by default or cause, goods or services entrusted by Leonardo SpA or other companies of the Leonardo Group;
- Revocation of the award of a tender.

3. Minimum requirements for participation

Entities meeting the following minimum requirements for participation (hereinafter "Minimum Requirements") may be invited to tender:

- Annual turnover of at least € 250.000,00 in the last three years;
- *Achievement of valid Certification AS/EN/JISQ 9100 as Aeronautical Company.*

It is noted that participation in the tender is not permitted by pooling funds.

In regards to participation requirements for consortia, it is specified that:

- Ethical and legal requirements must be fulfilled by the consortium and all its members. Along with the disclosure for interest, the ethical/legal self-certification must be provided: a) for each consortium member on whose behalf the consortium participates in the tender; b) for the consortium itself; and c) for the consortium on behalf of all members not participating in the supply

- The minimum turnover must be made by the consortium itself or, alternatively, through a combination of turnover of individual consortium members on whose behalf the consortium is participating in the tender.
- The technical, organisational and professional requirements must be possessed by each member on whose behalf the consortium is participating in the tender;
- The required certifications (ISO, SOA etc.) must be held by each member on whose behalf the consortium is participating in the tender.

The same also applies to any temporary groupings, with the norm being to consider the components of the grouping instead of the member businesses.

4. Disclosure of interest

By no later than the expiration date of this call of tenders, parties interested in being invited to tender, provided they meet the requirements, are required to:

- Submit their application by registering in the ARIBA DISCOVERY platform (link: <https://service.ariba.com/Discovery.aw/125002028/aw?awh=r&awssk=4InnwI5Q>) and proceed, after obtaining their credentials, with the provision of the requested data. Suppliers who are already registered on the ARIBA DISCOVERY, are requested to confirm and update any data and information previously entered in the system.
- Communicate their Disclosure of interest by accessing the reserved area of the ARIBA DISCOVERY platform (link: <https://service.ariba.com/Discovery.aw/125002028/aw?awh=r&awssk=4InnwI5Q>), responding to the ARIBA DISCOVERY post, identified by information reported in the summary of this document, uploading the following documents:
 - A statement issued by at least one bank or intermediary (at least two for tenders worth more than 5 million euros), attesting to their financial and economic capability/strength (the so called Bank References) – mandatory for Italy
 - *Certificate of conformity for UNI EN ISO 9100 Certification;*
 - *Self-Certification for annual turnover of last year (2016) with evidence of quote related to Leonardo group; in case of consortia, this self-certification for turnover must be related to each company of consortia;*
 - *Standard signed Leonardo NDA without deviations (standard template hereto attached);*
 - *Evidence of proven expertise in design and development of the subject product for the aerospace market;*
 - *EASA Part 21/EMAR 21 or equivalent Approval letter/certificate issued by relevant airworthiness authority or evidences that the process to obtain such approval is ongoing, if available;*
 - *EASA Part 145/EMAR 145 Approval letter/certificate issued by relevant airworthiness authority;*
 - *Signed statement of full acceptance of Leonardo contractual package (DMA and PSP), hereto attached. If the bidder already has in place a long term agreement (eg: DMA + PSP or LTA) with Leonardo Helicopters, the proposal can be subject to such agreement, taking into considerations that duly modifications in accordance with the features and requests of the bid should be agreed between the parties;*

Please note that after the expiration time of this invitation to tender, it will no longer be possible to respond to the call and communicate your disclosure of interest.

In any case, applicants who communicate their disclosure of interest must acknowledge and accept that they cannot claim any right to be invited to tender, with no obligation on the part of Leonardo to provide any reasons.

For those who may be invited to tender, if they have not already been pre-qualified or qualified, a process of pre-qualification will begin on the ARIBA Portal. This process will require them to provide additional documentation to support the evaluation of their ethical and legal requirements.

5. Processing of personal data

We hereby inform that personal data provided by the parties are processed by Leonardo Helicopters for the purposes of the public tender and the subsequent stage of the process as well as for the drafting and management of the contract.

6. Regulations as per Legislative Decree 231/2001 and Anti-corruption Law: UK Bribery Act (2010), US Foreign Corrupt Practices Act - FCPA (November 2012), Polish anti-corruption legislation

By communicating their disclosure of interest, each applicant acknowledges and agrees their prior acceptance of the Code of Ethics of Leonardo and the Anti-Corruption Code of the Leonardo Group, which is a prerequisite for participation in the tender procedure and therefore, in case of invitation to participate, they agree to comply with the provisions contained therein. The aforementioned documents are available from the website <http://www.leonardocompany.com> - “Ethics and Compliance” section.

7. Other information

The arrangements for submitting the bids, any other grounds for exclusion from the tender and other information, will only be communicated to those who, following the forwarding of their disclosure of interest, together with the documents mentioned herein and the verification by Leonardo of the minimum tendering requirements set out in this call for tenders, will be invited to participate in the bidding process.

This request is not binding in any way for this company nor the beneficiaries of the supply and should not lead to expectations whatsoever about the entities presenting their disclosure of interest. Leonardo, with incontestable discretion, reserves the right not to award the tender, to award only part of the contract, to restart the tender procedure or to make changes to this invitation to tender.

Please note that this tender procedure and the related contract are subject exclusively to the rules of private law.

Any question related to this call for tender shall be addressed to Miss Katie Cross - Sourcing and Contracting (e-mail: katie.cross@leonardo.com).

Yours faithfully
