Presumed bidding starting price	1.100.000 euro
General awarding criteria	Best value for technical and economic criteria
Date of publication	9th September 2026
Deadline	02th October 2026

DETAILED INFORMATION

1. General information

Leonardo Global Solutions S.p.A. - a single member company, subject to the direction and coordination of Leonardo - *Società per azioni* - (incorporated in Italy as a joint stock company) - (hereinafter "LGS") and Leonardo Helicopter Division intend to select the companies interested to participate to a tender for the supply of Supply of a winding and cut machine for strap component of mrb & trb to be installed in Leonardo Helicopters Division Plant of Anagni (Italy).

2. Entities admitted to tender

The following are admitted to participate in the tender procedure for works, services and supplies:

- a) sole proprietor enterprises (including craft businesses), trading companies, cooperatives;
- b) Consortia of production and work cooperative companies incorporated under Law no. 422 of 25 June 1909 and Legislative Decree. C.P.S. no. 1577 of 14 December 1947, and subsequent amendments and additions, as well as consortia of craft businesses incorporated under Law no. 443 of 8 August 1985;
- c) Permanent consortia, including consortium companies, incorporated pursuant to Article 2615-ter of the Italian Civil Code, consisting of sole proprietor enterprises (including craft businesses), trading companies, production or workers cooperative companies;
- d) Competing consortia incorporated under Article 2602 of the Italian Civil Code, whose members include the entities referred to in sub-paragraphs a), b) and c) of this paragraph, even in the form of a limited liability consortium, in accordance with article 2615 of the Italian Civil Code.

The following are only admitted to tender for works:

- e) Temporary associations of bidders made up of the entities person referred to in sub-paragraphs a), b) and c) above.
- f) Entities who have entered into a European Economic Interest Grouping (EEIG), under Legislative Decree no. 240/1991.

The participation in this tender by more than one temporary grouping of companies, consortium or EEIG, or the submission of bids as both an individual entity and as a member of a grouping, consortium or EEIG, is forbidden.

Bidding suppliers for whom more than 70% of total annual turnover is generated by orders from one or more companies belonging to the Leonardo Group, are not allowed to bid, except in case of express authorization from LGS in consideration of special technical requirements. For consortia, this percentage shall be calculated according to the annual turnover of the consortium itself.

Each consortium in points b), c) and d) above shall indicate, in its expression of interest, the individual consortium members in the name of which the bid is submitted, and for each of them, the type of works / services / supplies that will be performed. The composition of the consortium indicated in the disclosure for interest is unchangeable without the prior written consent of LGS.

Pursuant to the above, it is forbidden for an individual consortium member to submit a bid in any other form to this tender procedure. In the event that this rule is broken, both the consortium and the individual consortium member will be excluded from the tender.

The contemporary participation in this tender procedure by a parent company and its subsidiaries is also forbidden. In the event that this rule is broken, both the parent company and its subsidiaries will be excluded from the tender.

All bidders whom LGS does deem not to have appropriate professional reliability will in all cases be **excluded** from the tender without explanation. Bidders will be deemed not have appropriate professional reliability who in the last three years incurred, by way of example but not limited to, in the following:

- Termination for breach of contract with Leonardo SpA or other companies of the Leonardo Group;

- Declared non-testability of works, services and supplies according to the contracts concluded by the LGS, Leonardo SpA or other companies of the Leonardo Group;
- Breach of any of the provisions of the Code of Ethics Leonardo SpA and Leonardo Group, during the performance of previous contracts;
- Failure to take delivery, by default or cause, for works, supplies or services entrusted by Leonardo SpA or other companies of the Leonardo Group;
- Revocation of the award of a tender.

3. Minimum requirements for participation

Entities meeting the following minimum requirements for participation (hereinafter "Minimum Requirements") may be invited to tender:

1. Achieved an annual turnover of no less than € 9,000,000.00 in the last three years;
2. Possession of ISO 9001:2015 certification;
3. References / list of relevant projects for similar services;
4. Technical support in Italy;
5. Plant documentation compliant with applicable HSE regulations;
6. The supplier is responsible for providing the system on a "turnkey" basis and must guarantee that it is fully compliant with the provisions of EU Regulation 2023/1230 on machinery, which repeals Directive 2006/42/EC and Directive 73/361/EEC and will enter into force in Italy as of 01/20/2027;
7. Request for a breakdown of machine components and the machine ledger to ensure preventive maintenance;
8. System documentation compliant with applicable HSE regulations. The supplier is responsible for providing the system on a turnkey basis and must ensure that it fully complies with the provisions of EU Regulation 2023/1230 on machinery, which repeals Directive 2006/42/EC and Directive 73/361/EEC and will come into force in Italy on January 20, 2027.
9. Minimum area required for the installation of the system compatible with the layout constraints of the Anagni plant (15000x12000) mm.
10. Plant configuration with a system capable of handling all product lines for main rotor blades: AW139, AW169, AW119, AW09 and tail rotor blade parts: EH101. It must also BE "prepared" for a future deposition application capable of handling pre-cut rolls with quick coupling.
11. Ability to respect the completion times of the work declared in the technical specifications starting from the date of receipt of the order.
12. The system must be equipped with a supervisor. 3D modeling must be compatible with CATIA V5 or R30. Any PLC programming must be performed preferably with a Siemens S7 1500 or higher. The manuals must be in Italian. 3D model of the machine in STEP.e format.

It is noted that participation in the tender is not permitted by pooling funds.

In regard to participation requirements for consortia, it is specified that:

- The minimum turnover must be made by the consortium itself.
- The technical, organisational, and professional requirements must be possessed by each member on whose behalf the consortium is participating in the tender.

The same also applies to any temporary groupings, with the norm being to consider the components of the grouping instead of the member businesses.

During the tender process, ESG (Environmental, Social and Governance) performance will be enhanced, evaluated by an independent organization specialized in the evaluation of environmental, social and governance criteria (Ecovadis) and membership of the Science Based Target initiative (SBTi), which supports companies to structure decarbonization objectives and plans and validate their adequacy with respect to the needs defined by climate science.

4. Disclosure for interest

By no later than the expiration date of this call for tenders, parties interested in being invited to tender, provided they meet the requirements, are required to:

- Submit their application by registering in the ARIBA DISCOVERY platform (<https://service.ariba.com/Discovery.aw/125002028/aw?awh=r&awssk=4lnnw15Q>) and proceed, after obtaining their credentials, with the provision of the requested data. Suppliers who are already registered on the in Ariba Discovery, are requested to confirm and update any data and information previously entered in the system.
- Communicate their Disclosure of interest by accessing the reserved area of ARIBA DISCOVERY responding to Ariba Discovery POST, identified by information reported in the summary of this document, uploading the following documents:
 - Declaration issued by at least one bank or financial intermediary (at least two for contracts exceeding 1 million Euros) authorized under Legislative Decree No. 385/93, certifying financial and economic capacity/solidity (so-called Bank References);
 - Declaration of having achieved a minimum annual turnover of € 9,000,000.00 (ninemillion/00) in the last three years;
 - References / list of relevant projects for similar services;
 - Certificate of conformity for ISO 9001 Certification;
 - Declaration of compliance with the machine technical requirements specified in paragraph 3. (points from 1 to 12)

Please note that after the expiration time of this invitation to tender, it will no longer be possible to respond to the call and communicate your disclosure of interest.

In any case, applicants who communicate their disclosure for interest must acknowledge and accept that they cannot claim any right to be invited to tender, with no obligation on the part of LGS to provide any reasons.

For those who may be invited to tender, if they have not already been pre-qualified or qualified by LGS, a process of pre-qualification will begin on the Procurement Portal. This process will require them to

provide additional documentation to support the evaluation of their ethical, legal and economic/financial requirements.

5. Processing of personal data

Pursuant to Legislative Decree 196/2003 and Reg. EU 679/2016 (hereinafter jointly referred to as “**Privacy Legislation**”), we are hereby notice you that personal data provided for by “data subject” to tender notice are processed by LGS - with having registered offices in Rome, Piazza Monte Grappa, 4 - as being the Controller (as defined in Privacy Legislation), for the purposes linked to the tender handling process, the eventually subsequent awarding and relative agreement signature.

6. Regulations as per Legislative Decree 231/2001 and Anti-corruption Law

By communicating their disclosure of interest, each applicant acknowledges and agrees their prior acceptance of the Code of Ethics of Leonardo SpA and the Anti-Corruption Code of the Leonardo Group, which is a prerequisite for participation in the tender procedure and therefore, in case of invitation to participate, they agree to comply with the provisions contained therein. The aforementioned documents are available from the website <http://www.leonardo.com> “Ethics and Compliance” section.

7. Other information

The arrangements for submitting the bids, any other grounds for exclusion from the tender and other information, will only be communicated to those who, following the forwarding of their disclosure of interest, together with the documents mentioned herein and the verification by LGS of the minimum tendering requirements set out in this call for tenders, will be invited to participate in the bidding process.

This request is not binding in any way for this company nor the beneficiaries of the supply and should not lead to expectations whatsoever about the entities presenting their disclosure of interest. LGS, with incontestable discretion, reserves the right not to award the tender, to award only part of the contract, to restart the tender procedure or to make changes to this invitation to tender.

Finally, please note that this tender procedure and the related contract are subject exclusively to the rules of private law, ruling out the applicability of the Public Contracts Code (Legislative Decree no. 163/2006) and its implementing measures, even in the presence of explicit references to specific provisions of the Public Contracts Code (or its implementing measures) contained, optionally, in the invitation to tender or documents related to it.

Yours faithfully
